

Visual Science of Art Conference

--

EasyConferences arranged the Visual Science of Art Conference (VSAC), which took place in Nicosia, Cyprus Aug 24 - Aug 26 2023.

The EasyConferences team is very experienced, and they made sure that our conference went perfectly. Throughout the organizing process, EasyConferences always had our best interests in mind; I highly recommend working with them!

Sincerely,

Benjamin van Buren

VSAC Organizing Committee
